

TarazFoods

COMPANY PROFILE

ABOUT US

TarazFoods Company was established in 2020 with a mission to export, enhance the quality and control the production of Juice concentrates, purees and NFC.

By partnering with experienced production and factory managers, we ensure stringent monitoring processes that guarantee high-quality products and the ability to meet large-scale demand. Currently, TarazFoods collaborates with over 8 factories to consistently supply our customers' needs while upholding superior product standards.

Dedicated to exporting excellence, TarazFoods adheres to global standards in production, packaging, and shipping. Over the years, we have taken pride in our comprehensive quality assurance system and our ability to meet customer demands swiftly and reliably.

Mission

Safe supply, High-quality production and delivery in the shortest time.

Vission

Development of innovative, high quality and healthy products in 5 Continents. We are sure that with the efforts of our team, we will get closer to this vision every day.

OUR VALUES

**Forward
thinking**

Innovation

QUALITY APPROACH

At **Tarazfoods**, quality is at the heart of everything we do. From sourcing the finest fruits to implementing rigorous quality control measures, we ensure that every batch of our concentrates and purées meets the highest international standards. Our production processes are monitored at every stage, adhering to certifications such as **ISO, HACCP, and HALAL**, guaranteeing that our products are safe, consistent, and superior in taste. We collaborate with multiple factories to ensure swift production while maintaining our strict commitment to excellence, because at Tarazfoods, quality truly is everything.
